

Commonwealth Industrial Services, Inc.

Commonwealth Industrial Services, Inc. (CIS) is an industrial services company located in Hopewell, Virginia. Our profit centers include: sales of ammonium sulfate, lime, and ice melt; dry product packaging; warehousing; rail transloads (lumber, metals, aggregates, etc.); public truck scales; and, transportation services in support of CIS operations. For each of the past 8 years CIS has transshipped for Honeywell 2000-3000 containers of palletized export product to the port of Norfolk.

Commonwealth continuously seeks to provide real value to its customers. Our motto “**Dedicated to our customers’ needs**” reflects our Corporate Philosophy, which is to provide solid value-added services to our customers (most of whom are plant and activity managers) and to insure that each customer can rely on CIS to make every effort to meet their requirements.

<u>Office</u>	<u>Shipping/ Receiving</u>	<u>Public Truck Scales</u>
8am - 4:30 pm weekdays	7am - 3:30 pm	Open 24 hours, 7 days a week

Addresses: Shipping/Receiving - 411 E. Randolph Road, Hopewell, Virginia 23860
Mail - P.O. Box 479, Hopewell, Virginia 23860

Directions: From I-95 south of Richmond, Virginia turn onto Rt. 10 East to Hopewell at the Chester/Hopewell exit. Proceed East on Rt. 10. After entering the City of Hopewell go through four (4) traffic lights:

a. Lumber Trucks. Go under the rail overpass and immediately turn right into the second alley directly across the road from the truck scales. Continue on alleyway thru two metal warehouses (warehouses 4 & 5). Warehouse 3 is the large cinderblock warehouse to your right. Check with warehouseman inside Warehouse 3.

b. All other Trucks. Enter the left turn lane as you pass under the rail overpass. Turn left onto the Public Truck Scales. Give the Weighmaster your order’s pickup number.
